9 11. I was retained by Petitioner at the discounted rate of \$250 per hour. That hourly  
10 rate reflected a discount from my standard rate at the time I was retained. Further, I have not  
11 increased that rate in all the years that I have represented Petitioner. For reference, my current  
12 hourly rate for new clients is \$450. I have worked in family law in Santa Clara County since  
13 2005.

14 12. I estimate that I will spend at least 5-10 hours total in preparing this declaration,  
15 filing and serving the motion, preparing for and attending the hearing, and otherwise working  
16 to obtain Respondent's basic financials. As the requested information and documents are  
17 routine, and Respondent's complete refusal to respond without any explanation are a clear  
18 abuse of the discovery process, I respectfully request the Court sanction Respondent in the  
19 amount of \$2,500, representing 10 hours of my time.

20 I declare and affirm under penalty of perjury under the laws of the State of California

Mr. De Tagle,

I haven't heard from you in a while, and I hope you are doing well.

You missed court on Monday morning, and again this afternoon.

I also write to inquire about your compliance with the Court's orders regarding discovery and payment of attorney's fees. When can I expect to receive your documents? Your payments?

Thank you,

Dennis R. Ingols, Esq.

Mr. De Tagle,

That's precisely the problem. I am the winner, and I'm not filing anything in the Supreme Court.

You lost, and you keep losing. You filed in the Supreme Court, twice, and it was rejected both times.

You've filed twice against Judge Estremera. You already lost the first, and you will lose the second next week.

You've filed against Judge Hendrickson, and you lost.

I promise you will never have a court date with the Supreme Court of California. You will never have a court date with the Supreme Court of the United States, either. Not for any case against me, not for any case against Elizabeth, not for any case against any judge. Never.

Sincerely,

Dennis R. Ingols, Esq.

Mr. De Tagle,

With all due respect, I humbly suggest you take a remedial reading class because you seem not to grasp what has already happened, even though I've explained it to you in writing, even though I've sent you the court orders.

Your restraining order case against me was dismissed, with prejudice. There are no more hearings on calendar and there won't be. It's over. See attached.

Your civil complaint case against me (23CV425839) was stricken, pursuant to CCP 425.16. The court may schedule another hearing on my request for fees, or it may address that issue on April 30, 2024. However, the simple fact of the matter is that you already lost. See attached.

Please, show me where in the ADA, or any of the caselaw applying the ADA, does it say that you do not have to comply with court orders.

If 'crying is all I'm good at' as you say, then why do I keep winning and you keep losing? Give up, get help, and focus your efforts on re-establishing visitation with your children.

Despite your repeated insults, I will still offer you a discount on \$7,600 plus interest that you owe me:

- Family Court Order from last April of \$2,500, minus \$1,000 that you paid;
- Family Court Order from last December of \$2,500, of which you have paid \$0;
- The Order for \$3,600 from your failed case against Elizabeth;
- Plus 10% interest per annum by statute.
- Pay me by the end of March and I will accept \$6,000 in total. This offer expires March 31, 2024, at which point I will take further legal collection measures.

Sincerely,

Dennis R. Ingols, Esq.

Mr. Ingols,  
It's interesting how you file all these motions prior to my case against you being heard, well it's a good thing it won't be vacated. All judges in the United States have a mission statement and that is to follow the constitution of California and the constitution of the United States. You can cry cry cry all you want. That is all you're good at, we have court next month Mr. Ingols you're not off the hook, you think you and your client are going to perjury and use prepared false evidence in family court matters and get away with it? You're a lawyer, but again you said the supreme court case was dismissed? You're a moron, stop harassing me. I told you I was filing a restraining order against you. I have a lot of protection as a veteran especially with the American Disabilities Act. It's okay to address this in the future. On the back of my disabilities sheet where it says something to the effects of "on going court hearings" the fact that you go out of your way to lie continue to file court hearings, and you do our best to "intimidate" me let me say that again your best to "intimidate me" lacking the knowledge of the ADA shows your malicious motives, attorneys do not behave like that. You are the defendant in two cases you have no need to contact me. You will never get a single dollar from me no matter what the judges order says, it's a good thing I have the right to a fair hearing :) I don't think any judge wants to get into trouble by not following their mission statement, the judicial system is just a state funded governmental program nothing special

What do you mean I "didn't pay attention to what was served on [me]?" So far, everything you've served in the last year has been unsuccessful, and I've won every time.

What do you mean "good luck in the Supreme Court of California?" Your Petition for Certiorari was denied, just like your first one.

Your case against Judge Estremera was dismissed. How did that "make him understand?"

Mr. De Tagle,

The ADA doesn't mean what you think it means.

"Judge Joanna," as you call Commissioner Johanna Thai Van Dat, dismissed your case.

Judge Manoukian declared you to be a vexatious litigant and dismissed your case. A request for fees and sanctions is pending.  
Your response is due.

Judge Rosen dismissed your case against Elizabeth and ordered you to pay.

Judge Hendrickson ordered you to pay sanctions and child support.

Judge Estremera ordered you to pay sanctions.

Your case against Judge Estremera was dismissed by the Northern District. You re-filed it in state court, but that's about to be dismissed, too, along with your claims against Cara Olney and Judge Towery.

Your case against Judge Hendrickson was dismissed by the Northern District.

So far, you've lost every single time you've tried. It's time that you gave up and paid up.

Also, DCSS should be garnishing your checks soon.

Sincerely,

Dennis R. Ingols, Esq.

Please tell me when, one single time, that you were denied your right to a hearing? If you skip court, or walk out in the middle of a hearing, that doesn't mean you were denied your right to a hearing. You do understand that, don't you?

You now owe me \$6,600 plus interest. Pay by the end of the month and I'll give you 10% off and waive the interest. This discount only applies to the attorney's fees you owe, not the child support that you owe, or the interest on the child support.

I truly give you credit for your efforts, but you're still harassing me and using intimidation tactics, I truly fear for my life with you and I am scared of you and what your so capable of, hopefully this restraining order is granted against you. I won't be opening your emails so just mail me every document, you committed enough perjury and submitted plenty of false evidence.....

The court date on May 7 will be vacated.

Again, I beg of you, stop the lawsuits and get yourself into treatment. The lawsuits will not reunite you with your children. They will only separate you from your money, as the attorney's fees and sanctions against you continue to accumulate.

Mr. De Tagle,

You once again failed to attend court. This morning, the Court ruled on Elizabeth's anti-SLAPP motion and struck the Complaint. Furthermore, you were ordered to pay me \$3,600 in attorney's fees. You can expect a written copy within the next couple of weeks.

This now brings the total attorney's fees that you owe me to \$6,600 plus interest. This number consists of the following:

Family Court Order from last April of \$2,500, minus \$1,000 that you paid;  
Family Court Order from last December of \$2,500, of which you have paid \$0;  
Today's Order for \$3,600;  
Plus 10% interest per annum by statute.

Pay me by the end of March and I will accept \$6,000 in total.

Looks like you missed your target of collecting \$250,000 from me and \$25,000 from Elizabeth by \$281,600.

Sincerely,

Dennis R. Ingols, Esq.

You are now a vexatious litigant. You will probably have to pay a bond.

It will be the same outcome as last time. You will lose. You will be sanctioned.

You have been warned.

Per my other email, the amount is now nearly \$7,000. Please send payment.

Dennis Ingols <dennis@ingolslaw.com>  
To: Austin de Tagle <sonoftagle@gmail.com>

Mr. De Tagle,

I urge you to do some further reading to educate yourself about the rules of appellate procedure. You simply cannot just take a case straight to the Supreme Court. You have to go through the process in the lower court, file with the Court of Appeals if you're unhappy with the outcome, and then petition the Supreme Court if you feel like the Court of Appeals is wrong. You haven't done that, so none of your Supreme Court cases are going anywhere. This is especially true when you skip court.

I know that you feel that you are leading some sort of movement for broad, sweeping reforms to family court. You're not.

I know that you think you're going to have me disbarred. You're not.

I know that you think you're going to collect hundreds of millions of dollars. You're not.

I know that you think you're going to collect hundreds of millions of dollars. You're not.

You're only distracting yourself from what should be your real mission - reunifying with your children.

I urge you again, please take care of yourself,

Dennis R. Ingols, Esq.

Mr. De Tagle,

How are you feeling about your chances for the big day tomorrow?

When you lose, don't say I didn't warn you.

Good night,

Mr. Ingols harasses me the day prior to  
a criminal court case that is irrelevant

Austin,

The antiSLAPP will be granted, just like it was last time. Are you going to sue the judge for that, too?  
Your Supreme Court cases will be rejected, just like the first one was. Are you going to sue the Supreme Court when they reject your cases?

I'm still waiting for Mayor Mahan, Rob Bonta, and/or Merrick Garland to come for me and my practice, by the way. Did they tell you when they would be doing that?

Do yourself a favor. Drop the lawsuits and focus on your mental health. You missed two court dates this week where you would've had the opportunity to explain why you should have time with your kids. Instead, you're filling frivolous lawsuits that are destined to fail.

Your sanctions are overdue. Please use the links I sent you to pay them.

Sincerely,

Dennis R. Ingols, Esq.

Then you'll whine and complain about it afterwards.

Mr. De Tagle,

I previously offered to settle the April sanctions order of \$2,500 for \$2,000 if you could pay promptly. You then sent me your credit card info, and I processed two payments, per your instructions.

Your bank processed one payment for \$1,000 and rejected the other. I offered to honor the discount for prompt payment of the balance. You did not respond. My generous offer has now expired, and the balance is now due in full, and interest is accruing.

What does "I'll have to tax the both of you extra" mean?

You want to "negotiate[] the terms of custody" in exchange for dropping a frivolous civil rights lawsuit that you know that you will not win?

You do realize that Elizabeth didn't take your benefits, right? The Department of Child Support Services did.

You have much to learn of the way things actually work, Orlando.

I want you to help your client out here I, I'm bringing resolution to this matter. I hope you both understand, and the fact there's been a restraining order placed on my children I'll have to tax the both of you extra. So please think long and hard about this.

What you call "threats" are actually reminders of the importance of complying with existing court orders. I am glad to hear that you are working with your psychiatrist because I've told you all along that that is where your focus should be, rather than on all of your frivolous lawsuits. Take care of yourself, get better, and hopefully, we can find a way for you to reestablish contact with your children.

Alternatively, you can keep going the way you're going, you won't reunify with your children, you will owe me 5-figures in sanctions and interest, and you'll end up in jail on contempt.

Make the smart decision. I know you can do it.

Sincerely,

You will not collect a dime from me, from Elizabeth, or from any judge.

What did Mr. Bonta have to say? Please send me a copy of the restraining orders you refer to, and any correspondence between you and Mr. Bonta.

Please explain how restraining orders, issued by a judge, are "grounds for child endangerment."

Please explain how restraining orders, issued by a judge, are "huge child civil rights violation."

Sincerely,

Dennis R. Ingols, Esq.

Mr. De Tagle,

Do not contact my staff again. Your beef is with me.

Your Good Cause Reports don't mean what you think they mean. Surely you know that by now. Which "judge magistrate knows about them?" Magistrate DeMarchi, in your case against SJPD? Why do you think she knows about the Good Cause Reports? You didn't even mention them in the First Amended Complaint.

I see that the Court has authorized a Pro Bono attorney to try to help you with the Settlement Conference. Hopefully, that attorney and/or Magistrate Cousins will help you to see that you will not win your case against SJPD.

Sincerely,

Dennis R. Ingols, Esq.

Last thing,

Could you please remind Me. Ingols of the two Good Cause reports approved by the deputy district attorney Giselle Espinoza. I have extra copies if he needs them, the judge magistrate knows about them. I don't want more retaliation for using them, and giving testimony. Another civil rights violation. I'm rooting for his law offices to make all the money he can to pay me just like San Jose Police Department is going to.

Best regards,

Mr. Sanchez de Tagle

There is no such thing as "42 u.s.c. 1983 sec 12111." If you insist on practicing law without a license, at least try a little harder.

The California State Bar will not do anything to me, as I've done nothing wrong. They have access to the anti-SLAPPs you lost. They have access to the vexatious litigant list. At least as far as you're concerned, all I do is win, and all you do is lose.

Indeed you did tell me a year ago you were going to take my home, my assets, and my business. You tried. You lost. Repeatedly.

I implore you once again, talk to your psychiatrist and a psychologist/counselor. Ask them if endless litigation is good for your mental health (especially given that you keep losing). Tell me what they say.

Sincerely,

Dennis R. Ingols, Esq.

Mr. Ingols needs to start saving his money for mediation in the northern district court for not obeying civil rights laws.

I will be asking for a restraining order for violating 42 u.s.c 1983 sec 12111. I will contact the bar, he has bigger problem to deal with. I want \$300,000.00 for civil rights violations and for perjury.

I am a qualified individual under the ADA, he was warned. The U S marshals will be serving his law offices.

Please ensure Mr. Ingols has my money or if not I'll put a lean on his home and take his assets like I told him a year ago

Also, because Mr Ingols has harrased me I have had to increase my medication prescription provided to me by psychiatrist Dr. Smith the VA. It's best if you don't contact me unless you want to involve yourself

Orlando,

Your second frivolous request for a restraining order was denied, and your case was dismissed today. I win. Again.

Please pay your sanctions, and produce the discovery you were ordered to produce. The contempt hearing is this coming Monday.

Sincerely,

Mr. De Tagle,

Please pay the sanctions ordered against you in April of 2023. This is independent of the December sanctions against you, and the attorney's fees you were ordered to pay in your frivolous lawsuit against Elizabeth.

Over a year has passed, and interest of 10% will bring your balance due to \$1,650. Pay by the end of the month to avoid the interest charges.

Thank you,

- Law Office of Dennis R Ingols

My goodness, you just don't learn, do you?

You've already sued Estremera. Twice. You lost both times.

You've already sued Hendrickson. You lost.

You've already sued me. You lost.

Please send me a case citation for the Chavez case, as there is more than one case by that name.

You will never collect a dollar from any judge, from any employee of the court, or from me.

Mr. De Tagle,

Attached please find a copy of the signed order dismissing your civil case against me and declaring you a vexatious litigant.

We have court on June 26th to talk about my request for attorney's fees and costs. Please make me an offer before the judge makes an order.
